Dear Mr. Ali Emre Yurdakul,

One of the leading apex export organizations in India - Federation of Indian Exporters Organizations (FIEO) has created a database of around 12,000 leading exporting companies from all over India. The above Federation is available at <http://www.fieo.org>. It contains a "search business" tool making it easier for Turkish companies to find their Indian counterparts for import of Indian products. FIEO has also implemented a "chat service" between 1500 hrs and 1700 hrs (Indian slandered time) of every Wednesday to respond to all quarries regarding trading with India, including policy clarifications.

You are requested to disseminate the above information amongst membership for their use.

Regards,

Yours sincerely,

  
 (S.K. Verma)
