

The Latvian Chamber
of Commerce and
Industry

Riga, 26th of August, 2020

INVITATION

The largest association of Latvian entrepreneurs, the Latvian Chamber of Commerce and Industry invites companies to join an on-line B2B networking event where to get new valuable contacts with Latvian production companies, representing following industries:

- 25th and 26th of September, 2020 - woodworking, construction, metalworking, textile, cosmetics.
- 9th and 10th of October, 2020 – information and communications technology, electronics, design, transportation and logistics, food processing.

The event is organized as an on-line video communication via Cisco Webex platform. In the event's webpage visitors will find full profiles of all participating companies, and will have a chance to select the ones according to their interests.

We kindly invite companies to join this networking event as on-line visitors or on-line participants with full profiles and virtual video communication rooms. This is an opportunity to communicate directly with new potential customers and suppliers, by having no travelling and accommodation costs. For more information please see the material enclosed or please e-mail us zane.timermane@chamber.lv.

Kindest regards,

Aigars Rostovskis,

The President of the Latvian Chamber of Commerce and Industry, a Co-Chair of EUROCHAMBRES Skills & Entrepreneurship Committee

The Latvian Chamber of Commerce and Industry in cooperation with Investment and Development Agency of Latvia invites companies to join a virtual B2B networking event.
