**Related Authorities,**

The General Consulate of Egypt (Commercial Office) in Istanbul presents its best compliments to your esteemed association.

We would like to give information about **Egyptian Public Private Partnership (PPP)**.

A “Centre of Expertise” which is vested with the **Mission** to introduce and communicate the Public Private Partnership policy, to develop practice and to take a vital role in the delivery of the initial projects. The Centre will bring in support and experience from domestic and overseas experts. It is a department of the Ministry of Finance that is charged by Government to oversee and implement the policy.

The Unit is in charge of the study, application, implementation as well as coordination with line Ministries and with the Private Sector to develop this PPP theme in a policy framework and a clear action plan.

Egyptian Public Private Partnership (PPP) is working in different sectors such as; education, utilities, health, transport, oil and gas facilities and others (pipeline projects).

Also, you can have information about **the Law No.67 for the year 2010** on the web site.
