SCE STONE & DESIGN

SCE Stone & Design is based in Auckland and is an importer and manufacturer of stone and tile products.

the original company was established over 20 years ago. We specialise in: natural stone slab and tile (marble, granite, limestone, sandstone, onyx, basalt, bluestone, fossil stones); the manufacture of benchtops, vanities, fireplaces, articles of stone, inlaid floors; porcelain and ceramic tiles; mosaics (glass mosaic, porcelain mosaic, pool mosaic). Our stonemasons produce fantastic workmanship satisfying the most discerning of clients. Our clients include syperyacht owners and boatbuilders, interior designers, commercial building companies, and the home owner. We endeavour to incorporate these materials into the overall design concept being proposed and can provide assistance in interior design. We believe it important to meet the clients aesthetic, functional and budget requirements. This can be achieved through one-to-one consultation based on the premise that good design is timeless and affordable.
