The 8<sup>th</sup> Silk Road International Exposition & the Investment and Trade Forum for Cooperation between East and West China (hereinafter referred to as "Silk Road Expo"), hosted by Shaanxi Provincial Government, will be grandly held in Xi'an, Shaanxi Province from September 20<sup>th</sup> to 24<sup>th</sup>, 2024. The Expo will cover five main exhibition halls: International Exchange Exhibition, Interprovincial Cooperation Exhibition, Transportation and Logistics Exhibition, Advanced Manufacturing Exhibition, and Modern Energy Exhibition.

The International Exchange Exhibition will be held at Hall 1 of the Xi'an International Convention and Exhibition Center, covering an exhibition area of 16,000 square meters. It will comprehensively display friendly exchanges, significant project cooperation outcomes and prospects between Shaanxi and countries and regions along the Belt and Road. We will arrange a number of business matchmaking activities between Chinese and foreign exhibitors daily, organize potential partners to exchange at booths, providing broader display space of brands and products for exhibitors from various countries and creating more opportunities for communication.

Concurrently, the Silk Road Expo will hold an opening ceremony and themed events, including Global Conference of Shaanxi Entrepreneurs and Silk Road Promotion Activities on Business Innovation Achievements. We sincerely invite leaders from your organization to attend relevant activities and help organize enterprises to attend the Expo by bringing their cooperative projects and high-quality products (free booths but construction costs will be borne by exhibitors). In this way, we aim to work together for mutual development by promoting cooperation and seeking opportunities.
